

# LOWER MACUNGIE TOWNSHIP

---

## SEWER LATERAL VIDEO INSPECTION REPORT

This form must be completed by the Licensed Journeyman or Master Plumber conducting the sewer lateral video inspection. This form must be submitted in conjunction with a copy of the video and proof of licensure. This report will assist the Township in determining whether or not the sewer lateral is compliant with the regulations set forth by Lower Macungie Township's Ordinance No. 2020-03 (Building Sewer Inspections). If the video does not meet the requirements listed below, the Township may reject the video and request a resubmission.

**Sewer Lateral Video Requirements:**

- Clear imagery
- Property address included on video
- Display timestamp on video
- Clearly display cleanout or access point
- Running foot or time marker visible
- Briefly stop at joints to display integrity
- Identify where building drain ends and sewer lateral begins
- Show lateral from structure to main connection
- CD, DVD, or USB flash drive accepted in MP4 or WMV format
